Friday May 8
The second day agenda is more fluid. If we still have any open items on GC-LOG we will wrap them up that day. But we would like to share with you our collaborative research ideas for next year. We would also like for you to share with us any ideas you may have to discuss with the group at large (prepare a 5 mins introduction). A rough agenda as follows:

8:30 - 12:30 CLI Collaborative Research Ideas (Lead by CLI, all participants)
12:30 - 1:30 Lunch (CLI sponsored)
1:30 - 3:00   Open discussion
3:00 Adjourn
6:00 pm - Social activity: Andrés Carne de Res (optional)
