10. INFORMS Annual Meeting. November 7-10, 2010. Austin, TX. <http://www.informs.org/index.php?c=9&kat=MEETINGS>

What is the list of events in LATAM?

Research Projects

Sustainability

- ✓ • Carbon Footprint [CLI]
- ✓ • Regional Produce Distribution to Small Convenience Stores in Bogota [CLI]

Logistics Enablers

- ✓ • Logistics Benchmarking LatAm [CLI + AA] – Emphasis on integration
- ✓ • LatAm Logistics Map [CLI + AA].

SC in Emerging Markets

- ✓ • Distribution strategies in Emerging Markets [CLI]
- ✓ • Cellphone Technology for SC Fragmentation [CLI + MIT]
- ✓ • EPC/RFID in textiles, liquids and metals [CLI ~ Colciencias]
- ✓ • Visibility in transportation [CLI ~ SENA]
- ✓ • SC2020 Case Studies [MIT]

Healthcare

- Patient Security [MIT]
- Demand & Distribution Planning

Research Projects in CLI Website

- Click on this link.... <http://portal.logyca.org/web/cli/investigacion>
- There is a public and a private section. You will have access to both.
- On each research project you will find...
 - Proposal
 - Summary of Lit. Review
 - Final documents

CLI Network - Research Projects

- Logistics Map / Benchmarking
 - Research Leader: Marcela Giraldo. mgiraldo@logyca.org
- Distribution in LATAM cities
 - Research Leader: Luz Andrea Torres. ltorres@logyca.org
- Example... Bazurto...

Gracias...

CLI -Centro Latinoamericano de Innovación en Logística– un proyecto de LOGyCA, miembro de la Red Global Supply Chain and Logistics Excellence de MIT
