10:00 Research Briefings Poster Session Introduction
This introduces the broad range of research being conducted at CTL, in a two-stage manner. Each Researcher will give a 2-minute summary of their work. After this introduction, SC Exchange Partners will be free to visit poster stations for each CTL researcher, and circulate as they prefer. A briefing packet will provide an overview of each research project to help the Partner determine where to spend their time in the Poster Session.
