- N.A.S.A.** Reductive Singularity Management | A primer
The advent of the Singularity has changed every aspect of human activity, to the point of having redefined the very notion of what... [READ MORE](#)
- Taming the Apocalypse** | Jumpa Tomasi
Technological sophistication reduces risk, but increases proportionally the potential impact of a catastrophic impact. In...
- Logistics and Information** | Elements
In an increasingly complex and saturated living environment, researchers and policymakers have
